

Sax

I'm Sax and I give the best cuddles. I absolutely love going for walks and having treats along the way. I've also been told that I'm a charmer and no one can resist my beautiful eyes.

Oggy

I'm Oggy, I have so much love to give that when I see you I just want to kiss you and give you cuddles. I've been told I'm the perfect house guest but my only downfall is that I snore like a tractor hehe.
